

ODEA: a dream wardrobe!

Wardrobe: White frame, hinged white lacquered glass doors.

The key to any successful storage solution, the Odéa wardrobe collection **combines designer and modern looks with elegant finishes and numerous features.**

From 2013, **Odéa will sport doors in a new design**, reinforcing the collection's elegance and style. This means you will be able to create your storage from the numerous combinations available.

Integrated into your bedroom or installed in a dressing room, **this collection optimises space and rationalises storage**, while at the same time adding an original, decorative touch to your home. You have a choice between **open or closed wardrobes**, and **hinged or sliding doors**.

Gautier has endless options so you can create your dream wardrobe!

To adapt to each person's needs and desires, Odéa offers various options to simplify your life:

- A walk-in wardrobe (pearwood finish), or one with hinged or sliding doors (6 finishes available).
- Six frame finishes: White, wengé, walnut, grey oak, sycamore maple or smoked oak.
- A large range of door finishes: wood, mirror, wood/mirror combination, lacquered glass and more.
- Two height options thanks to the clever integration of drawers which can slide under the modules: 2.24m without drawer or 2.44m with drawer. (for hinged doors or open wardrobe units)
- Three module widths, including one corner unit specifically adapted for walk-in and hinged door wardrobes.
